Dear Mayor Sanderson:

Thank you for contacting my office. I understand you have encountered a problem with both the NEPA request and Special Use Permit issues you have recently experienced with the Forest Service.

In an effort to be of assistance, I have contacted Chief Tidwell. As soon as I receive an answer to my inquiry, you will be notified of your case status. In the meantime, if you should have additional information to provide or need other assistance please contact Gina Fong in my Phoenix office at (602) 952-2410.

Again, Mayor Sanderson, I wish to thank you for presenting me with this opportunity to be of service to you. I will make every effort to help you with this situation.

Sincerely,

John McCain

Eric,

I made a few inquiries with Cal Joyner's office. He said they would "look into it and get us a response". I noticed that Heather Provencio called while I was out Friday. I will call her back today and see if that yields anything and let you know.
